SERVICE BULLETIN

25 HP Fuel Pump

NO. 7

DATE: 01/28/98 revised 4/14/16

RE: Fuel Pump for older 25 Horsepower Kohler Go-Devil

In the event the fuel pump on a 25 HP Kohler fails, the replacement electric fuel pump is available for \$65.00. However, the electric fuel pump can be replaced with a mechanical fuel pump manufactured by Kohler for this engine. We are now using the mechanical fuel pump and highly recommend replacing the electronic fuel pump with the mechanical fuel pump.

The part number for the Mechanical Fuel Pump is 24 559 10-S and the price is \$102.28. You will also need to purchase a Rocker Arm Kit. The part number for this kit is 24 755 66-S and the price is \$25.64.

If you have any questions about this, please call us.
