## **SWIVEL BRACKET**

**NO. 15**

**DATE: 10/10/02 UP DATED 4/14/16**

**RE: ALL GO-DEVIL MODELS**

Swivel brackets are now available for all single Go-Devil engines(excluding 5.5hp.) These brackets allow the prop end of the engine to swivel around 180 degrees into the boat. The retail cost of the swivel bracket for a new engine is \$75.00. The swivel bracket can be retrofitted to any Go-Devil engine for \$165.00.
